If any dispute arises between parties on aspects not covered by this agreement, or the construction or operation thereof, or the right, duties or liabilities under these except as to any matters the decision of which is specially provided for by the general or the special conditions, such dispute shall be referred to the arbitrator as appointed by DG ASI and the award of the arbitration, as the case may be, shall be final and binding on both the parties. The arbitrator with the consent of parties may modify the time frame for making and publishing the awards. Such arbitration shall be governed in all respects by the provision of the Indian Arbitration Act, 1996 or later and the rules there under and any statutory modification or re-enactment, thereof. The arbitration proceeding shall be held in Rajasthan, India.

3. APPLICABLE LAW

The Work Order will be governed by the laws and procedures established by Govt. of India, within the framework of applicable legislation and enactment made from time to time concerning such commercial dealings/processing.

4. JURISDICTION

The CONTRACT shall be deemed to have been entered into at Rajasthan and all causes of action in relation to the CONTRACT will thus be deemed to have arisen only within the jurisdiction of the Rajasthan Courts to the exclusion of all other courts.

SPECIAL CONDITIONS OF CONTRACT

1. COMPENSATION OF DELAY (LIQUIDATED DAMAGES)

If the contractor fails to maintain the required progress in terms of Work order issued or to complete the Work and clear the site on or before the contract or justified extended date of completion as per Work order (excluding any extension) as well as any extension granted, he shall, without prejudice to any other right or remedy available under the law to the Government on account of such breach, pay as liquidated damages the amount calculated at the rates stipulated below as the authority specified in Work order may decide on the amount of accepted Tendered Value of the Work for every completed day/ month (as determined) that the progress remains below that specified in Work order or that the Work remains incomplete.

- i) Compensation for delay of Work with maximum rate @ 1% (one percent) per month of delay to be computed on per day basis based on quantum of damage suffered due to stated delay on the part of Contractor.
- ii) Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10 % (ten percent) of the accepted Tendered Value of Work or of the accepted Tendered Value of the Sectional part of Work as mentioned in Work order for which a separate period of completion is originally given.

In case no compensation has been decided by the authority in Work order during the progress of Work, this shall be no waiver of right to levy compensation by the said authority if the Work remains incomplete on final justified extended date of completion. If the Competent Authority decides to give further extension of time allowing performance of Work beyond the justified extended date, the contractor shall be liable to pay compensation for such extended period. If any variation in amount of contract takes place during such extended period beyond justified extended date and the contractor becomes entitled to additional time, the net period for such variation shall be accounted for while deciding the period for levy of compensation. However, during such further extended period beyond the justified extended period, if any delay occurs by events, the contractor shall be liable to pay compensation for such delay.

Provided that compensation during the progress of Work before the justified extended date of completion for delay under this clause shall be for non-achievement of sectional completion or part handing over of Work on stipulated/justified extended date for such part Work or if delay affects any other Supplies/services. This is without prejudice to right of action by the Competent Authority for delay in performance and claim of compensation under that clause.

The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Government. In case, the contractor does not achieve a particular milestone mentioned in Work order, or the re-scheduled milestone(s), the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied as above. With-holding of this amount on failure to achieve a milestone, shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of Work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in

subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be withheld. However, no interest, whatsoever, shall be payable on such withheld amount.

2. TIME AND EXTENSION FOR DELAY:

The time allowed for execution of the Work's as specified in the Work order or the extended time in accordance with these conditions shall be the essence of the Contract. The execution of the Work shall commence from such time period as mentioned in Work order or from the date of handing over of the site, notified by the Competent Authority, whichever is later. If the Contractor commits default in commencing the execution of the Work as aforesaid, the performance guarantee shall be forfeited by the Competent Authority and shall be absolutely at the disposal of the Government without prejudice to any other right or remedy available in law.

- 1) As soon as possible but within 7 (seven) Working days of award of Work and in consideration of
 - (a) Schedule of handing over of site as specified in the Work order
 - (b) Schedule of issue of designs as specified in the Work order
- 2) The contractor shall have no claim of damages for extension of time granted or rescheduling of milestones for events listed,
 - I. In case the Work is hindered by the Department or for any reason / event, for which the Department is responsible, the authority as indicated in Work order shall, if justified, give a fair and reasonable extension of time and reschedule the mile stones for completion of Work. Such extension of time or rescheduling of milestones shall be without prejudice to any other right or remedy of the parties in contract or in law; provided further that for concurrent delays under this clause to the extent the delay is covered, the contractor shall be entitled to only extension of time and no damages.
 - II. Request for rescheduling of Mile stones or extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay on the prescribed forms i.e. Form of application by the contractor for seeking rescheduling of milestones or Form of application by the contractor for seeking extension of time respectively to the authority as indicated in Work order. The Contractor shall indicate in such a request the period by which rescheduling of milestones or extension of time is desired. With every request for rescheduling of milestones, or if at any time the actual progress of Work falls behind the approved programme by more than 10% of the stipulated period of completion of contract, the contractor shall produce a revised programme which shall include all details of pending drawings and decisions required to complete the contract and also the target dates by which these details should be available without causing any delay in execution of the Work. A recovery as specified in Work order shall be made on per day basis in case of delay in submission of the revised programme.

- III. In any such case the authority as indicated in Work order may give a fair and reasonable extension of time for completion of Work or reschedule the mile stones. Competent Authority shall finalize/ reschedule a particular mile stone before taking an action against subsequent mile stone. Such extension or rescheduling of the milestones shall be communicated to the Contractor by the authority as indicated in Work order in writing, within 21 days of the date of receipt of such request from the Contractor in prescribed form. In event of non-application by the contractor for extension of time E-in-C after affording opportunity to the contractor, may give, supported with a programme (as specified above), a fair and reasonable extension within a reasonable period of occurrence of the event.
- IV. In case the Work is delayed by any reasons, in the opinion of the Competent Authority, by the contractor for reasons beyond the events mentioned in above clauses and beyond the justified extended date; without prejudice to right to take action, the Competent Authority may grant extension of time required for completion of Work without rescheduling of milestones. The contractor shall be liable for levy of compensation for delay for such extension of time.

3. PAYMENT TERMS:

- i). Payment will be made as per delivery schedule mentioned below:

Sl. No.	Milestones Achieved	Payment to be released	Remarks
1.	60 % as per the work order	50 % of the work order value or the value of work done whichever is less	Subject to satisfactory nature of work to be determined by the Engineer-in-charge
2.	100 % as per the work order	Balance Amount of work done and remaining (if amount of previous payment, if any).	

- o The running or final account bills shall be submitted by the contractor for the work executed on the basis of such recorded measurements on the format of the Department in triplicate.
- ii In the event of the failure of the contractor to submit the bills, no claims whatsoever due to delays on payment including that of interest shall be payable to the contractor. Payment on account of amount admissible shall be made by the Competent Authority certifying the sum to which the contractor is considered entitled by way of interim payment at such rates as decided by the Competent Authority.
- The final bill shall be submitted by the contractor in the same manner as specified in running bills within three months of physical completion of the work or within one month of the date of the final certificate of completion furnished by the Competent Authority whichever is earlier. No further claims shall be made by the contractor after submission of the final bill and those shall be deemed to have been waived and extinguished. Payments of those items of the bill in respect of which there is no dispute and of items in dispute, for quantities and rates as approved by Competent Authority, will, as far as possible be made within the period specified here in under, the period being reckoned from the date of receipt of the bill by the

Competent Authority or his authorized Archaeological Engineer, complete with account of materials issued by the Department and dismantled materials.

- Client shall be entitled to deduct in accordance with Applicable law, Income Tax or withholding tax or other deductions (as the case maybe), from any payments made to the contractor, and the amount so deducted shall be deemed to be a payment made to the contractor. Client shall provide a certificate certifying the deductions so made.

4. DEVIATIONS/ VARIATIONS EXTENT AND PRICING:

The Competent Authority shall have power (i) to make alteration in, omissions from, additions to, or substitutions for the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during the progress of the Work, and (ii) to omit a part of the Work's in case of non-availability of a portion of the site or for any other reasons and the contractor shall be bound to carry out the Work's in accordance with any instructions given to him in writing signed by the Competent Authority and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided therein and any altered, additional or substituted Work which the contractor may be directed to do in the manner specified above as part of the Work's, shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main Work except as hereafter provided. The time for completion of the Work's shall, in the event of any deviations resulting in additional cost over the tendered value sum being ordered, be extended, if requested by the contractor, as follows:

- (i) In the proportion which the additional cost of the altered, additional or substituted Work, bears to the original tendered value plus.
- (ii) 25% of the time calculated in (i) above or such further additional time as may be considered reasonable by the Competent Authority.

5. CONTRACTOR LIABLE FOR DAMAGES, DEFECTS DURING DEFECT LIABILITY PERIOD:

If the contractor or his Working people shall break, defect, injure or destroy any part of building in which they may be Working, or any building, road, road kerb, fence, enclosure, water pipe, cables, drains, electric or telephone post or wires, trees, grass or grassland, or cultivated ground contiguous to the premises on which the Work or any part is being executed, or if any damage shall happen to the work while in progress, from any cause whatever or if any defect, shrinkage or other faults appear in the work within twelve months (six months in the case of Work costing Rs. Ten lacs and below except road work) after a certificate final or otherwise of its completion shall have been given by the Engineer in- Charge as aforesaid arising out of defect or improper materials or workmanship the contractor shall upon receipt of a notice in writing on that behalf make the same good at his own expense or in default the Competent Authority cause the same to be made good by other workmen and deduct the expense from any sums that may be due or at any time thereafter may become due to the contractor, or from his security deposit or the proceeds of sale thereof or of a sufficient portion thereof. The security deposit of the contractor shall not be refunded before the expiry of twelve months (six months in the case of Work costing Rs. Ten lakhs and below except road Work) after the issue of the certificate final or otherwise, of completion of Work, or till the final bill has been prepared and passed whichever is later. Provided that in the case of road Work, if in the opinion of the Competent Authority, half of the security deposit

is sufficient, to meet all liabilities of the contractor under this contract, half of the security deposit will be refundable after six months and the remaining half after twelve months of the issue of the said certificate of completion or till the final bill has been prepared and passed whichever is later.

The performance Guarantee will be released as soon as the Final bill will be accepted by the Competent Authority of ASI.

6. LABOUR LAWS TO BE COMPLIED BY THE CONTRACTOR:

- o The contractor shall obtain a valid license under the Contract Labour (R&A) Act, 1970, and the Contract Labour (Regulation and Abolition) Central Rules, 1971, before the commencement of the Work, and continue to have a valid license until the completion of the Work.
- The contractor shall also comply with provisions of the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979.

The Competent Authority, on receipt of the said communication, shall write to the Labour Officer to intimate if any complaint is pending against the contractor in respect of the Work. If no complaint is pending, on record till after 3 months after completion of the Work and/or no communication is received from the Labour Officer to this effect till six months after the date of completion, it will be deemed to have received the clearance certificate and the Security Deposit will be released if otherwise due.

Instructions for Online Bid Submission

The Bidders are required to submit soft copies of their Bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the Bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their Bids online on the CPP Portal.

More information useful for submitting online Bids on the CPP Portal may be obtained at <https://eprocure.gov.in/eprocure/app>

REGISTRATION

- 1) Bidders are required to enrol on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/awal>) by clicking on the link "Online Bidder Enrolment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the Bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the Bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify/ NCode / EMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a Bidder. Please note that the Bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate Bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the Bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the Bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective "My Tenders" folder. This would enable the CPP Portal to intimate the Bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The Bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their Bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the Bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the Bid.
- 3) Bidder, in advance, should get ready the Bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWG/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every Bid, a provision of uploading such standard documents (e.g. PAN card copy, etc.) has been provided to the Bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a Bid, and need not be uploaded again and again. This will lead to a reduction in the time required for Bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the Bid in time i.e. on or before the Bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The Bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of Bid submission or as specified in the tender documents. The details of the DQ/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during Bid submission time. Otherwise the uploaded bid will be rejected.
- 5) Bidders are requested to note that they should necessarily submit their financial Bids in the format provided and no other format is acceptable. If the price Bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the Bidders. Bidders are required to download the BOQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the Bidder). No other cells should be changed. Once the details have been completed, the Bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the Bidder, the Bid will be rejected.
- 6) The server time (which is displayed on the Bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the Bids by the Bidders, opening of Bids etc. The Bidders should follow this time during Bid submission.

- 7) All the documents being submitted by the Bidders would be encrypted using PIV encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of Bid opening. The confidentiality of the Bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any Bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/Bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized Bid openers.
- 8) The uploaded tender documents become readable only after the tender opening by the authorized Bid openers.
- 9) Upon the successful and timely submission of Bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful Bid submission message & a Bid summary will be displayed with the Bid no. and the date & time of submission of the Bid with all other relevant details.
- 10) The Bid summary has to be printed and kept as an acknowledgement of the submission of the Bid. This acknowledgement may be used as an entry pass for any Bid opening meetings.
